Ishida Uni-7
Price Computing Scale/Printer/Color Touchscreen

The Uni-7 line offers its own set of unique features. Starting with the color touchscreen, users can also customize the customer display with their own color photos.

Positive input response allows users to feel a tactile sensation and hear a beep when the screen or a button is pressed. Save space and time with a front-loading label cassette. The Uni-7 also operates in receipt mode and can drive a cash drawer for basic register and scale operations.
